CONTRACTORS GIVEN TIME

GOVERNOR CARTER WILL WAIT FORTY-EIGHT HOURS IN THE NEW ASYLUM DEAD-LOCK.

After a consultation which lasted all yesterday afternoon between Governor Carter, Mr. Gilman of the American-Hawaiian Construction Company and his attorney D. L. Withington, the Governor decided to withhold any action in the matter of the new asylum building until Saturday next in order to give the company time to communicate with Mr. Amweg who is now at the coast.

The cause of the trouble has already been told. The company desires to make its concrete blocks with a machine now here but C. S. Holloway, Superintendent of Public Works will not permit this as he claims that concrete blocks so made will not be up to specifications as the blocks must be tamped and pressed. To make such blocks a machine will have to be purchased at considerable expense.

The contracting company thereupon set up the claim that the specifications were not clear and the Superintendent came back with an offer to submit the specifications to any competent engineer or architect to see if there is any doubt as to what they mean.

The Attorney General has advised that the contractors must go ahead or else forfeit their deposit and the result of yesterday's meeting with the Governor is, as stated, to delay action until after tomorrow at all events.

LYCURGUS TAKES VOLCANO HOUSE

WILL MANAGE THE OLD AND FAMOUS HOSTELRY HEREAFTER—MONEY FOR IMPROVEMENTS.

George Lycurgus has secured a controlling interest in the Volcano House and will hereafter give it his personal attention. A meeting of the stockholders was held yesterday afternoon at which the directors were authorized to execute a second mortgage on the property for \$5000 the money to be used in painting the building, purchasing new furniture, building new water tanks and making other needed improvements. The mortgage will be taken up by George Lycurgus.

The following were the officers elected for the year: President, R. W. Shingle, vice president, C. L. Wright; secretary, L. A. Thurston; treasurer, Richard H. Trent, auditor, J. A. Kennedy.

Regarding his plans George Lycurgus has made the following statement. "I am going tomorrow to the Volcano to take charge of the Volcano House. It is my aim to make the place the resort headquarters for local people. There are many who want to take short vacations and have not time or money to take a trip to the coast but would like to spend their time at some island resort." It is my desire to make at the Volcano House such a resort. Of course we want tourists too.

"There is great need for improvements at the house and we intend to spend over \$5000 at once. The hotel will be painted, new furniture will be put in and new water tanks built. Beside this we will do considerable work in improving the roads around the crater. One of the improvements will be a new furnace; the one that is in the hotel now has been there for fourteen years.

"Low rates will be a feature. Arrangements have been made with the steamship companies for round trips from Honolulu to the Volcano and return for \$45. These trips will take about two weeks and will include steamer, railroad and carriage fares and room, board and bath at the Volcano House during the stay there. The regular rate will be \$15 per week including room board and bath. Liberal rates will be made for longer times. The table which has been on the American plan only will be run in the future on both American and European plans. We are going to do gardening also and I hope to be able to supply vegetables for the Union Grill in this city."

Mr. Lycurgus leaves by the Mauna Loa today for his new property. He will be accompanied by Demosthenes Lycurgus and will take one of the cooks from the Union Grill.

DONATION PARTY.

There will be a donation party for the benefit of the institution at the Suwanna Wesley Home, 60 School street, on the Ewa side of Nuuanu, this evening. Miss Jane, the matron, who is a new arrival in Honolulu from Utah, has many friends in the city nevertheless and would be pleased to see them all at the Home.

A Timely Suggestion.—This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be ward off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures. Sold by all dealers. Benson, Smith & Co., agents for Hawaii.

SENATOR ACHI GIVES HIS IDEAS

BELIEVES IN REPRESENTATIVE GOVERNMENT WITHOUT DUPLICATED TAXATION.

EDITOR HAWAIIAN STAR:—In the Evening Bulletin of yesterday the following item appears:

"Of making many municipal bills Senator Achi seems to have no end. Pretty soon the Senator's friends will be asking him whether he changes his mind overnight or is bringing out a flood at the suggestion of others whose real, but not declared, aim is to defeat local self-government."

I am at a loss to know that I am making many municipal bills; what I am making and intend to introduce during the next Legislature are laws according to Plank IX of the Republican party; at the same time saying the taxpayers in this Territory the burdensomeness of paying two or more taxes. If that is wrong and against the wishes of the taxpayers, well and good. I will abide by their decision when the time comes.

The "Evening Bulletin" sarcastically accuses me of following or being led by people whose aim is to defeat local self-government.

I emphatically deny the truth of the charges, and plainly say that what I am trying to do is my own idea in company with my colleague Senator L. L. McCandless.

According to my way I claim and believe that the voters and taxpayers in every locality will have more control of affairs in their places, than what they will have under a common County plan; and at the same time the people will have to pay only one tax.

As far as I am informed the majority of the taxpayers approve my way, except perhaps those who want government jobs or graft. I am at all times willing to do all in my power and to the best of my ability as a legislator for the benefit of my constituents, and open to be converted by proper argument.

Very truly yours,
W. C. ACHI,
Honolulu, Dec. 16, 1904.

CHURCH DEFENDS ALBION H. GLENNAN

VISITED MAKAWELI CAMP AND SAYS THE STORIES OF CRUELITIES ARE UNTRUE.

Fred Church, the new manager of the Hawaiian Hotel, is a strong defender of the late Engineer Glennan for whose murder Moritara was hanged yesterday, against the charges of cruelty to the Japs. According to Moritara's last stories and to statements made by others who were on Kauai at about the time of the murder, Glennan used great brutality to the Japanese under him and had not only severely thrashed Moritara, but had discharged him and was depriving him of his pay. This drove Moritara to desperation and after drinking a lot of sake he committed the murder.

"I spent some days in the camp with Glennan at Makaweli ditch," said Church, "and I camped with him. I do not believe there is anything at all in the stories of cruel treatment of Japs by him. I was very well acquainted with him and he was not the kind of man to be thrashing men whom he employed. The stories of cruelty were an effort to create sympathy for the murderer, but you can be very sure there is nothing in them."

WEDDINGS BY WHOLESALE

MINISTER WHO OFFICIATES AT A TRIPLE WEDDING BECOMES A BENEDICT HIMSELF.

CHIPPewa FALLS, Wis., Nov. 21.—"Whom God hath joined together let no man put asunder," said the Rev. C. J. Erdman, in concluding a triple ceremony which united for better or for worse three brothers and three sisters.

After he had kissed each bride he turned to one of the happy grooms, the Rev. E. M. Nelson, and haltingly remarked: "Now, brother, having performed the service for you, I will ask that you reciprocate by doing the same for me. There is among the guests to your wedding one who has done me the honor to accept my lot. Will you pronounce the faithful words whereby we may be one?"

The Rev. Mr. Nelson was overjoyed to be able to return the favor and in a few minutes there were four blushing brides and as many proud bridegrooms. The home of the three sisters where the wedding occurred was crowded with friends of either family many of whom were parishioners of the Rev. Mr. Erdman. All joined in wishing him a long life and a merry one and in congratulating his bride.

The brothers who became benedicts were the Rev. E. M. Andrew, and Charles Nelson. The bridal trio comprised the Misses Jessie, Amanda, and Clara Johnson.

The four couples will go together to the World's Fair for a honeymoon trip.
